DEPARTMENT OF THE NAVY
OFFICE OF THE SECRETARY
1000 NAVY PENTAGON
WASHINGTON, D.C. 20350-1000

OCT 16 2003

The Honorable Duncan Hunter
Chairman, Committee on
Armed Services
House of Representatives
Washington, D.C. 20515

Dear Mr. Chairman:

I am providing a revision to the list of 325 billets eligible for temporary (Spot) promotion of certain officers with critical skills. This notification is provided per section 5721 (f) of Title 10, United States Code.

Eight billets are no longer eligible due to unit reorganizations or force structure changes. Sea-going billets were given priority for replacing those 8 billets deleted. The revised list of eligible billets totals 325, the legislated limit. A copy of the updated list is enclosed with a summary of modifications.

I have sent a similar letter to the Chairman and the Ranking Minority Member of the Senate Armed Services Committee.

Sincerely,

VR, William A. Navas Jr.

William A. Navas
Assistant Secretary of the Navy
(Manpower and Reserve Affairs)

Enclosure

Copy to:
The Honorable Ike Skelton
Ranking Minority Member

Spot Billet List Revision

1. Changes to Title 10 section 5721 made as part of the FY96 Department of Defense Authorization Act require that billets eligible for Spot Promotion be specifically identified and limited to 325. The initial list of eligible billets was forwarded to Congress as part of a 01 April 1996 report. The Secretary of the Navy is authorized to modify the list but must notify Congress of changes by means of written notification.

2. Since the last update in November 2002, decommissioning schedules, unit reorganization, and changes to Activity Manning Documents have necessitated modification of the list of eligible billets. Enclosure (1) pages 2-9 represent a joint surface and submarine community effort to update the list of eligible billets. Enclosure (1) page 10 is the summary of changes. Sea-going billets were given priority in the replacement of deleted billets.
