Office of the Assistant Secretary

SAF/IEI
1665 Air Force Pentagon
Washington DC 20330-1665

The Honorable Duncan L. Hunter
Chairman, Committee on Armed Services
United States House of Representatives
Washington DC 20515-6035

Dear Mr. Chairman

The Air Force intends to carry out an unspecified minor military construction project at Hurlburt Field, Florida, using Military Construction Appropriations Act funds. This \$1,434,000 project is required to provide space for an expanding mission at Hurlburt.

The 25th Intelligence Operations Squadron's (IOS) expanding mission is forcing the 16th Maintenance Group out of their current facility. There is no acceptable replacement facility on Hurlburt Field without this project.

A similar letter has been sent to the Ranking Minority Member of your Committee.

Sincerely
