The Honorable Duncan L. Hunter
Chairman, Committee on Armed Services
U.S. House of Representatives
Washington, DC 20515-0552

Dear Mr. Chairman:

This notification is made in accordance with section 2807(b) of title 10, United States Code that requires notification to the appropriate committees of Congress when the estimated cost of architectural and engineering services for military construction projects exceeds \$500,000. The following school will exceed that threshold:

New High School at Naval Forces Marianas Support Activity, Main Base, Guam, U.S. Territory, to replace the existing functionally deficient, undersized and seismically inadequate high school facility. The estimated construction cost for this effort is \$27,417,000 and will consist of approximately 151,450 square feet.

A copy of this notification is being sent by separate letter to the Senate Committee on Armed Services.

Sincerely,

Joseph D. Tafoya
Director
