

CONSERVATIVE WINS

THE FY27 NDAA

- ★ Officially renames the Department of Defense as the Department of War.
- ★ Fully authorizes President Trump's historic discretionary budget request for national defense.
- ★ Roots out waste, fraud and abuse at the Pentagon and provides nearly \$30 billion in savings, following reforms assumed in President Trump's budget request.
- ★ Continues support for President Trump's efforts to end left-wing ideology, wokeism, and DEI in the military and restores focus on lethality, meritocracy, and accountability.
- ★ Fully funds DoW support for the Department of Homeland Security's border security efforts.
- ★ Increases funding and creates new authorities to meet President Trump's goal of revitalizing the defense industrial base, increasing defense manufacturing jobs in America, and onshoring our defense supply chains.
- ★ Continues reforming the DoW acquisition process, supporting President Trump's Executive Order and speeding the delivery of innovative new technologies to the warfighter.
- ★ Carries out President Trump's efforts to improve the quality of life for our servicemembers with a 5-7% pay raise and improved benefits for military families.
- ★ Fully supports President Trump's top priorities, including the Golden Dome, Golden Fleet, munitions, fighter aircraft, submarines, warships, and autonomous systems.
- ★ Includes new authorities to support President Trump's work to compel our allies to pay more for their own defense.
- ★ Advances President Trump's efforts to revitalize American shipbuilding.
- ★ Includes new authorities and funding to support President Trump's efforts to prepare our military for a potential conflict in the Indo-Pacific.
- ★ Extends authorities that President Trump uses to eliminate terrorists that threaten Americans.
- ★ Furthers President Trump's efforts to promote energy independence and utilize new nuclear power technologies.
